VIVID MOMENTS

Contact: Raymond Chou / 778-829-7975

info@vividmoments.ca / www.vividmoments.ca

As visual storytellers who love what we do, our goal at Vivid Moments is to provide you with timeless photographs of your wedding day that will allow you to relive those moments again and again—whether that be 5, 10 or 50 years after your marriage. To that end, we aim to capture the story of your wedding as it naturally unfolds, and provide you with the most classy, beautiful, and authentic images of your wedding that you can possibly imagine.

Young Hip & Married exists for two reasons: to help couples get married and stay married. We're on a mission to eradicate dull and boring wedding ceremonies from the face of the planet and to help couples create a sweet lifelong union that gets better with age. If every couple is different then why have we all been to the same boring ceremony so many times? Young Hip & Married will marry you YOUR way—creative and personalized ceremonies are our specialty.
