3 complimentary tokens	5 complimentary tokens

Equipment and balls are included. Maximum 6 students per session.

Little Juniors and PGA Junior Rookies

The juniors will learn the core fundamentals in a fun and safe environment. The programs will make sure kids are having lots of fun based on learning and playing all types of games consisting of putting, chipping, hitting irons and woods, bunker shots and more. Absolute beginners to intermediate players are welcome to join the programs.

Coach Justin still competes in a few professional golf tournaments, so there will be 2-3 times throughout the year where Justin will be away to compete in the tournaments. Cancelled lessons will be pushed to the following week. Sorry for any inconvenience.

You can register at any time during the season. If the program is full, there will be waiting list available.

5 consecutive sessions are one set. Please renew 1 week before your set ends to continue. Please be aware there will only be one make up session per set for player's absence.
