Memorial Service or Celebration of Life

A Memorial Service is a ceremony held at a location where the deceased and casket are not present, but where the urn containing the ashes may be present. At Alternatives, we will arrange all the details that allow you to celebrate the life of a loved one: reserving facilities and a member of the Clergy or celebrant, catering and reception, placing obituaries, and arranging for guest books and flowers.

We will ensure you have a variety of options to choose from to create the celebration or service you want
